Arrangements for the issue of certificates

Exam Certificates are available in school for collection normally from the end of November, once all certificates have been sent in from the exam boards. Students are informed of this via Arbor, the school website and social media. Students are expected to collect their exam certificates in person so that they can check all of the information shown on their certificates is correct and accurate (name, dob, final grade etc). If all of this is in order then the student will sign and date a form which confirms that their certificates are correct and they have received them.

Candidates are informed of the arrangements for the issue of certificates as follows:

- Students are informed of the exam certificate collection procedure in their exam information pack which they receive prior to the summer exams taking place. Once certificates are ready for collection students are reminded of the procedure via Arbor, the school website and social media.

Where unable to claim/collect certificates under the normal arrangements

Candidates may arrange for certificates to be collected on their behalf by providing the exams officer with written permission / authorisation. Authorised persons must provide ID evidence on collection of the certificates.

Record of issued certificates

A record of issued certificates is kept in the exam secure storage area. These records show the name / dob / student signature and the date they collected their certificates confirming they had checked that all of the details on their certificates was correct and they had taken receipt of them. These records are kept for 10 years.
