

Admission Arrangements Policy The Hart School 2018 -19

1. Basic principles

1.1. The Hart School will comply with all relevant provisions of the statutory codes of practice (the School Admissions Code of Practice and the School Admissions Appeals Code of Practice) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools. Reference in the codes to admission authorities shall be deemed to be reference to the Local Governing Body of The Hart School. In particular, The Hart School will take part in any Admissions Forum set up by their Local Authority (“LA”) and have regard to its advice and any Co-ordinated Admissions System operated by the LA. Applicants will normally be required to complete the Common Application Form (CAF) to be returned to the LA the applicant resides in.

1.2. The Hart School will admit children with Statements of Special Educational Need (“SEN”) where The Hart School is named in the SEN Statement.

1.3. Where a LA proposes to name a Creative Education Trust School or Academy in a statement of SEN made in accordance with section 324 of the Education Act 1996, the Academy shall consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children and where no reasonable steps may be made to secure compatibility.

1.4. In the event of any disagreement between The Hart School and the LA over the proposed naming of the School in a statement, The Hart School, through the Trust, may ask the Secretary of State to determine whether the School should be named. The Secretary of State’s determination shall be final. However, this does not affect parents’ rights to appeal against the refusal to name a Creative Education Trust School or Academy in a Statement of SEN to the Special Educational Needs and Disability Tribunal. Applicants with SEN Statements naming a Creative Education Trust School or Academy will be admitted, subject to the exception regarding the provision of efficient education above.

1.5. In deciding where a child’s inclusion would be incompatible with the efficient education of other children, The Hart School shall have regard to the relevant guidance issued by the Secretary of State to maintained schools.

2. Admission arrangements – Year 7

2.1. The admission arrangements for The Hart School for the academic year 2018-19 and, subject to any changes approved by the Secretary of State, for subsequent years, are:

2.2. The Hart School has an agreed admission number of 360 students in Year 7. The School will admit the admission number of students in the relevant age group each year if sufficient applications are received. If there are more applications, the oversubscription procedure will be applied.

2.3. The Hart School may set a higher admission number than its published admission number for any specific year. Before setting an admission number higher than its agreed admission number, the Creative Education Trust will consult the Secretary of State. Students will not be admitted above the published admission number unless exceptional circumstances apply.

2.4. The Hart School will use the following timetable for applications each year (exact dates may vary from year to year):

September: The School will publish information about the arrangements for admission, including over subscription criteria, in the September for admission the following September in their prospectus. This will include details of open evenings and other opportunities for prospective pupils and their parents to visit the School. They will notify the date by which applications must be received by the Staffordshire LA under co-ordinated admission arrangements. The School will also provide information to the LA for inclusion in the LA secondary transfer booklet.

September: The Hart School will hold open evenings/opportunities for parents to visit the schools.

October: Closing date for application forms [will vary year on year]

November/December: LA sends applications to the School. School returns list of pupils to be offered places in December.

March: LA informs parents and schools about the KS3 pupil allocations for September.

2.5. The School will consider all applications for places. Where fewer than 360 applications are received, the School will offer places to all those students who have applied subject to 4 above.

2.6. In the event of over-subscription the following arrangements will apply:

2.6.1. Applicants who are “looked-after”, having regard to any collective agreements operated by the LA over the admission of ‘looked-after’ children.

2.6.2. Applicants will then be admitted according to the criteria listed below:

i. Siblings of students in attendance at The Hart School in Years 7 to 13. These include brothers and sisters, and half brothers and sisters and step brothers and sisters who share the same home. These also include adopted and foster brothers and sisters who share the same home.

ii. Students with special medical or social needs which The Hart School is best placed to meet (this will be supported by professional advice from the Health Authority on why the School is necessary and a statement from the parent stating “the difficulties that would be caused if their child had to attend another school”). Special medical or social needs will include priority for vulnerable groups (after students with full statements of special educational needs and those in public care, who have recently come into care or moved into the area) such as: students whose names are either on or at risk of being placed on the Child Protection Register; students whose social or personal circumstances are seriously limiting their capability to gain access to education without the support of the local authority.

iii. Children who live nearest to The Hart School measured by “as the crow flies” from their normal family home to main gate of the relevant school. When dealing with multiple applications from a block of flats to the School, lower door numbers will take priority. Where a child spends time with both parents/carers in separate homes and both have parental responsibility, “their normal family home” is where the majority of school nights (Sunday to Thursday) are spent.

2.7. Notwithstanding the provisions above, the Secretary of State may direct the School to admit a named pupil to the School on application from a LA.

2.8. In the case of The Hart School, after 360 applicants have been offered a place for admission; others will be offered a place on a waiting list for the relevant band. Places for admission which are declined or otherwise become vacant will be offered, as far as possible, to those on the waiting list who are in the same band as that vacated, priority being determined by the banding rules as appropriate. There will be an independent appeals panel appointed in accordance with the provisions of the statutory Code of Practice on School Admission Appeals. Parents may also write to the Education Funding Agency (“EFA”) if their complaint is about maladministration that they consider has affected the outcome of the appeal. The procedure and a form for submitting a complaint to the EFA are available online.

2.9. Notwithstanding the provisions above, the Secretary of State may direct The Hart School to admit a pupil on an application from the LA in accordance with the terms of the Fair Access Protocol.

2.10. Late applications will be considered following the criteria set down in The Hart School’s admissions procedure, with due regard to the LA late admissions procedure.

2.11. Following the offer of a place at The Hart School, parents/carers can be asked to provide evidence of their child’s identification and main residence to comply with the School’s admissions criteria. The forms of identification may include;

Parents are required to provide a statement stating the difficulties that would be caused if their child had to attend another school (the same guidelines adopted by the LA for such categories will be used).

3.4. The Hart School Sixth Form in each of its two years can comprise up to 300 students transferring from Year 11 in the school and students transferring from other schools. The Trust's Funding Agreement assumes an annual Sixth Form intake of up to this number of students from September 2018. 3.10. Following consultation, The Hart School must consider comments made by those consulted. The School shall then determine its admission arrangements by 1 May of the relevant year and notify those consulted of the details of what has been determined.

3.11. The School will be considered to have discharged this requirement by arranging with the LA to publish this information on its behalf. In this instance the School will provide information for any LA secondary and post-16 transfer booklet.

3.12. The published arrangements will set out:

- a. the name and address of the School and contact details;
- b. a summary of the admissions policy, including over-subscription criteria;
- c. a statement which makes clear that religious affiliation is not part of the admissions process;
- d. numbers of places and applications for those places in the previous year; and e. arrangements for hearing appeals.

3.13. Where other admissions authorities in the relevant area make representations to the Trust about its admission arrangements, the Trust will consider such representations. Where the Trust and other admission authorities cannot reach agreement locally, any admission authority in the relevant area may make representations to the Secretary of State. The Secretary of State will consider the representations and in so doing will consult the Trust. Where s/he judges it appropriate, the Secretary of State may direct the Trust to amend its admission arrangements.

3.14. Other admission authorities have the right to ask the Trust to increase their proposed published admissions number for any year. Where such a request is made, but agreement cannot be reached locally, an admission authority may ask the Secretary of State to direct the Trust to increase its proposed published admissions number. The Secretary of State will consult the Trust and will then determine the published admission number.

Where the School has consulted on proposed changes and there have been no objections from other admissions authorities, the School must still secure the agreement of the Secretary of State before any such changes can be implemented. The School must seek the Secretary of State's approval in writing, setting out the reasons for the proposed changes and forwarding any comments or objections from other admission authorities/other persons.

4.4. The Secretary of State can approve, modify or reject proposals from the School to change its admission arrangements.
