

Design & Art YEAR 7 & 8 – What we will be learning in Design & Art

Spring term 1 - All students will be: Studying a creative curriculum which introduces, develops and combines new skills and techniques in order to advance their creative understanding. Student projects will be delivered within the key concepts of pattern, meaning and performance.

- **ART Year 7** – Mechanical Pattern, lino print development. **Year 8** – Representing the human figure, investigating sculpture.
- **DESIGN MATERIALS Year 7** – My shape illuminated. **Year 8** - A performance product.
- **TEXTILES Year 7** – Technique booklet. **Year 8** – Textile collage.
- **FOOD Year 7** – Healthy cooking methods. **Year 8** – Recipe development pizza project.

Parents can help by:

Supporting students with homework. This will involve research into given topics related to subjects.

Supporting students with ingredients for practical cooking sessions.
