Baker Clause Policy Statement on Provider Access

Introduction

This policy statement sets out The Hart School's arrangements for managing the access of providers to students at the academy for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

The Hart School uses the Gatsby Benchmarks as a guide to planning our Careers programme.

As part of our commitment to informing students of the full range of employment, learning and training pathways on offer to them, we are happy to receive requests from training, apprenticeships and vocational educational providers, as well as from employers, to speak to students. We are particularly interested in hearing from providers in:

- the Digital Skills Sector as it is predicted that in the next two decades, 90% of jobs will require some digital proficiency ('Digital Skills Crisis' The Science Committee 2016);
- STEM employers (science, technology, engineering and maths) – combining creative talent with engineering and technology;
- Manufacturing, Gaming, ICT, Construction and Energy;
- Health Professions and Social Care.

These employment sectors are identified as areas of growth in the current and future labour market and the biggest growth in jobs is expected to be in management, professional and technical roles which could make up almost half of all employment (47%) by 2024. (Helping the UK Thrive CBI/Pearson Education and Skills Survey 2017 CB1)

Finance and Business is one of the job sectors showing the biggest growth in Staffordshire, as are construction and information technology.

Student Entitlement

All students in years 7 to 13 at The Hart School are entitled to:

- find out about technical education qualifications and apprenticeship opportunities, as part of a careers and aspirations programme which provides information on the full range of education and training options available at each transition point;
- hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions, provider lead workshops and taster events;
- understand how to make applications for the full range of academic and technical courses

Management of provider access requests

We are continuously looking to work with a variety of providers and would welcome all contact from local and national employers and providers of training and further education. A provider wishing to request access should contact Sandip Dosanjh, AAP Academic Standards Support and Careers Lead

Telephone 01889 802440

Email: sandip.dosanjh@hartschool.org.uk

Examples of Opportunities for Access

A number of events integrated into our Careers Programme will offer providers the opportunity to come into the school to speak to students and/or their parents/carers as outlined below:

	Opportunities
Year 7	Assemblies Introduction to Careers
Year 8	Assemblies Careers talks STEM days Careers Carousel Options Evening
Year 9	Assemblies Careers talks STEM days Enterprise Day
Year 10	Assemblies Careers talks STEM days Mock interviews CV Writing Work Experience
Year 11	Assemblies Careers talks STEM days CV writing and applications Post-16 Options Evening
Year 12	Assemblies Careers talks Mock interviews CV writing and applications
Year 13	Assemblies Careers talks Mock interviews CV writing and applications
