Dear Parents and Carers,

Extra-Curricular Clubs and Activities

We are excited to share our programme of extra-curricular clubs and activities running this term.

At The Hart School we believe that school is about much more than what happens in the classroom. Extra-curricular activities give our students the chance to discover new interests, develop talents, build confidence, make new friends and, most importantly, have fun!

There are a fantastic range of opportunities available this term, with something to suit a variety of interests. Students can get involved in clubs from Music to Art, to Debating to Chess to Crochet. Whether they are already passionate about an activity or simply keen to try something completely new, a full list of clubs, including days, times, locations and any age or year-group restrictions, can be found [HERE](#)

Students are encouraged to get involved and try something new. Participation in extra-curricular activities can make a valuable contribution to students' personal development and wider school experience. Students should see the member of staff running the club or simply attend the session, to be part of the club.

We would also like to thank the staff and other adults who give their time and enthusiasm to make these opportunities possible. Their commitment enables our students to experience activities and develop skills that extend far beyond the classroom.

We hope to see lots of our students getting involved, trying something new and making the most of everything our school community has to offer this term.

Thank you for your continued support and encouragement.

Yours sincerely,

Miss S Dosanjh
Assistant Principal – Achievement & Curriculum
