27 April 2026

Dear Parents and Carers,

We are always keen to work in close partnership with families to ensure that our students are well supported in their learning and are able to make strong progress throughout their time at school.

As part of this, we would value your feedback on several key resources that support students' learning across Years 7 to 13, including:

- School reports and Pupil Progress
- Revision materials and study skills booklets
- Pathways at Key Stage 3
- Parents' Evenings

We are asking parents and carers to complete a short survey that will help us to understand what is working well and where developments or improvements could be made. Your views will help us ensure that these resources are clear, useful, and effective in supporting students both in school and at home.

The survey should only take a few minutes to complete, and responses will be reviewed carefully by staff. Feedback gathered will directly inform future decisions about how we communicate progress, how revision is supported, and how skills are developed across all key stages.

[Parental Survey - April 2026](#)

We greatly appreciate you taking the time to share your thoughts. Your insights are invaluable in helping us continue to improve the experience and outcomes for all our students.

Thank you for your continued support.

Yours sincerely,

Tilly Payton
KS3 Lead and Literacy Intervention Lead
