3 December 2025

Dear Parents and Carers,

Due to a significant spike in flu, sickness symptoms, and general illness among both staff and students, the school will be **closed on Thursday 4 and Friday 5 December**. We apologise for any inconvenience this may cause. This short closure will allow us to complete a thorough deep clean of the premises and provide a necessary break to support recovery across our school community.

If your child is in receipt of free school meals, then please complete the form on the following link – [CLICK HERE](#). Can we politely request that this is completed before 08:00am tomorrow morning to allow for preparation. Your child will be able to collect a packed lunch from G-Block between 09:00am - 09:30am.

Online Work Packs

To support learning during the closure, students will have access to online work packs that follow their usual curriculum plans. If your child does not have access to a device at home, paper copies will be available to collect from G-Block tomorrow morning 09:00am - 09:30am.

Students in Key Stage 4 should also complete revision – there are resources available online [here](#).
