Dear Parents and Carers,

Year 7 Revision Booklets

We hope this message finds you well.

Today, your child will be bringing home a revision booklet to support them in preparing for their upcoming assessments. This booklet includes:

- Subject-specific revision materials for all of their subjects
- Revision skills guidance that they have been working on during tutor time

We encourage you to take some time to look through the booklet with your child and support them in planning their revision. The materials are designed to help them feel confident and well-prepared for their assessments and include some top tips to help them be successful.

An online version of the booklet is available on our School website and can also be accessed by [clicking here](#).

If you have any questions or would like further support, please don't hesitate to get in touch.

Thank you for your continued support.

Yours sincerely,

T. Payton
