12 January 2026

Dear Parents and Carers,

We are pleased to share an exciting opportunity for students interested in pursuing a career in healthcare. NHS England will be hosting a webinar titled:

“NHS Health Careers – an overview”

This session will provide valuable insights into the wide range of careers available within the NHS and the pathways to enter these roles.

We will be streaming the webinar in **Room C12 on Thursday 22 January, straight after the end of the school day**. Any students who are interested are welcome to attend and watch the session which is expected to finish at approximately 4pm.

This is a fantastic chance for students to learn more about future career options and ask questions about working in the NHS.

If you have any questions, please do not hesitate to contact us.

Yours sincerely,

Miss Caulfield
Careers Lead
