Dear Parents/ Carers and Students,

Where will your educational journey take you next?

We are writing to inform you that it is not too late to apply to our sixth form, and we would like to extend an invitation to all interested students to join our vibrant and supportive community.

At our sixth form, we strive to provide a nurturing environment that fosters academic excellence, personal growth, and prepares students for their future endeavours. We offer a wide range of subjects, comprehensive support systems, and numerous extracurricular opportunities that allow students to flourish and excel in their chosen paths.

We understand that circumstances may change, and new opportunities may arise that prompt a reconsideration of your educational choices. Whether you have recently decided to pursue A-levels or Vocational courses, we welcome you to explore the possibilities our sixth form has to offer.

Our experienced and dedicated staff are committed to ensuring every student's success. They will provide personalised guidance, support, and tailored learning experiences to help students achieve their full potential. Our curriculum is designed to challenge and inspire, promoting critical thinking, creativity, and independent learning.

Additionally, our sixth form offers a rich extracurricular program that allows students to engage in sports, arts, leadership initiatives, and community service. These activities foster personal growth, build character, and create well-rounded individuals who are equipped to make a positive impact in society. As of September, we will also have a state of the art gym facility giving sixth form students the option to train and keep fit on site.

We understand that choosing the right sixth form is an important decision, and we encourage you to speak with our staff, and meet our current students to get a first-hand experience of our vibrant community. We believe that you will be impressed by the opportunities and support available to help you achieve your academic and personal goals. We are also pleased to be offering a double dance award (equivalent of 2 A levels) for the first time in a number of years.

If you are interested in applying to our sixth form or have any questions, please do not hesitate to contact Mr Brennan or Dr Carter. Our staff will be delighted to provide you with the necessary information and guide you through the application process.

Remember, it is never too late to embark on a new educational journey. We look forward to welcoming you to our sixth form community and supporting you in reaching your aspirations.

Yours sincerely

A handwritten signature in black ink, appearing to be 'B. Brennan'.

Mr Brennan
Assistant Principal – Head of Sixth form
