14 July 2026

Dear Parents and Carers,

As we approach the end of another successful academic year, we would like to share the arrangements for the final day of term on Friday 17 July 2026 and some of the activities students will enjoy as part of our end-of-year celebrations.

The day will begin with tutor time, during which students will take part in the Principal's Challenge. This is a reward activity for students who have achieved 100% attendance during the final week of term.

Students who have achieved 100% attendance across the entire summer term will also receive VIP access to the inflatables event and will be rewarded with a complimentary ice cream in recognition of their excellent attendance.

Throughout the morning, students will enjoy a range of celebration activities, including inflatables, as well as a Celebration Assembly, where we will recognise and celebrate the many achievements of our students over the past academic year.

To ensure the inflatables operate safely, all students will receive a safety briefing and risk assessment with their form tutor before taking part. It is therefore essential that students arrive at school on time so that they receive this important information. Students who miss the briefing may not be able to participate until the safety information has been shared. All activities will be fully supervised by staff, with appropriate risk assessments in place.

As previously communicated, the school day will finish at 12:40pm, and all students should make arrangements to leave the school site at this time. To ensure that all students have the opportunity to purchase and eat lunch before the end of the day, those eligible for Free School Meals will have their daily allowance made available during Break 1 (11:10am).

We are looking forward to providing our students with a fun, rewarding and memorable end to the academic year. Thank you for your continued support throughout the year. We wish you and your family a safe, relaxing and enjoyable summer break.

Yours sincerely,

Charles Milner
Assistant Principal
