3 March 2026

Dear Parents and Carers of Year 9 Students,

Anti-Violence Campaign

In collaboration with all Schools in the Cannock Chase District and Staffordshire Local Authority, we are pleased to welcome an outstanding external speaker to The Hart School on 12 March 2026 during Period 3.

The session is linked to our PSHE curriculum and will be delivered by a visiting anti-violence campaigner who works tirelessly across England to help prevent youth violence, by educating young people around its realities and consequences. The powerful presentation conveys the importance of prevention, the emotive realisation of how choices affect loved ones and how young people retain hope for the future.

We believe the opportunity for our pupils to experience this session will be of great benefit to them. However, we also recognise that this can be a very sensitive and delicate topic. During the session members of staff will be present to provide support for any student that may require it. Please contact the year office should you have any concerns about your child participating in the session.

Yours sincerely,

Mrs Heidi Goodall
Safeguarding Lead
