Dear Parents and Carers

Please find attached the Literacy Bulletins providing curriculum overviews for this half term. You will see these for Years 7-11.

As we know, the students who are the most successful are the students who study around the curriculum delivered in school; we hope that these half-termly bulletins will provide you and your child with some valuable reading material which will not only serve to strengthen their understanding of the curriculum in school, but will also develop their reading skills and support them in other areas.

Please encourage your child to read regularly and to discuss their reading experiences with you. Reading not only enhances their vocabulary but also fosters a lifelong love for learning. Thank you for your continued support and involvement in your child's education.
