Dear Parents / Carers

Year 9 Assessments

Further to the recent letter about the Key Stage 3 Assessments, please [click here](#) to view the lists of topics to support your child's revision for their Year 9 Assessments. The English assessments are next week and you received details of the topics to be revised in my previous letter.

This week in tutor time, students have had a week of study skills where they have created revision timetables and practised different revision strategies including mapping and use of flashcards. By the end of this week, they will all have been given a paper copy of this list of topics for revision, alongside the whole school timetable for assessments. The assessments take place in usual lesson time, so students need to know which teaching group they are in, to be able to identify when the assessment will take place.

Please make a note of these important assessment dates when your child comes home with them this week, and speak to your child about them, encouraging them to complete all of their homework and revise for these assessments to enable them to perform well and achieve marks of which they can be proud.

Yours faithfully

Mrs J Mahon
Vice Principal -Curriculum and Assessment
