Dear Parents/Carers

October intervention and support sessions for students

As previously communicated, we will be holding intervention and support sessions over October half-term (Monday 30th October – Friday 3rd November) to support students in the lead up to their PPEs (mock examinations) and coursework deadlines.

Intervention sessions will be offered in a range of subjects. These sessions have been staggered across the week as much as possible. Each session will be timetabled for 2 hours: a morning session (10.00am - 12.00pm) and an afternoon session (12:30pm - 14.30pm).

As part of our risk assessment, we require that students register with their teacher on arrival and sign out as they leave to confirm they are leaving site. Students are not required to wear school uniform when they are in school for the sessions. If students are attending both morning and afternoon sessions, they must provide their own lunch and drinks as there will be no catering facilities available on site.

A full timetable of sessions is included below. These sessions are open to students who are taking the courses and performing at the appropriate level for the session. However, targeted students have been identified to attend the sessions and these will be given to your child on Monday 23rd October as a printed slip.

Please support your child by ensuring they attend the correct intervention session. If your child has been selected for more than one session at a particular time, please discuss with your child which session would be most beneficial to attend. They should not choose to attend an open session if they have been selected to attend a targeted session at that time.

I am sure that you appreciate the importance of your child attending these intervention sessions on time and prepared to learn and would like to thank you in advance for your support.

Additional key reminders and information:

Next **Wednesday (25th October)** the students will be attending their first **Elevate Educational** seminars in school - this will be in focus grouped 2-hour blocks. This session is all about how to revise and revision techniques.

Parents' Evening is on Thursday 26th October - please ensure you have booked your appointments. I attach the letter regarding Parents' Evening again for reference. If you need any support with bookings at all, please contact enquiries@hartschool.org.uk

Y11 PPEs (Mock Exams) commence on 20th November - there will also be a targeted program of vocational sessions to ensure students have support to complete all coursework to the highest standard.

Revision Guides - these are available to purchase on ParentPay and there will be a stall at the Parents' Evening to view the available materials before purchasing.

Yours sincerely

Mr Donlan
Assistant Principal
