Dear Parents and Carers,

It's been a really strong start to the school year, and our students should feel very proud of themselves. There's been a lovely atmosphere around school, with fantastic attendance at extra-curricular clubs again this week.

Yondr Pouches

Four weeks ago, we introduced the Yondr pouches to help students keep their phones safe and out of use during the school day. After a couple of days of getting used to it, things have settled really well. The system now runs smoothly at the start and end of the day, and the school feels calm and focused. We have also seen a big reduction in peer fallouts, and students have shown real maturity in how they have handled the change.

We have also received some lovely comments from students, one said; **"I'm so over this now, it's not as bad as I thought it would be"**, **"I actually talk to my friends more at break,"** and another told us, **"It's helped me concentrate more in lessons."** We are so proud of how well students have responded.

Again, we would really value your thoughts now that we are four weeks in. Please take a few minutes to share your feedback using the link below. The survey takes 2-3 minutes, and your responses will help us shape how we move forward.

Thank you, as always, for your continued support. It really makes a difference and helps us create a school where every student can learn and thrive without distractions.

Yours sincerely,

Miss R Sandham
