Dear Parents and Carers,

PTFA Christmas Design Fundraiser

We are delighted to be launching our PTFA Christmas Design Fundraiser with Fundraising Creations. This gives students the opportunity to turn their own Christmas artwork into personalised cards, gifts and keepsakes while raising money for our school PTFA.

Students will begin creating their designs during their Character Development Day tutor session in the week beginning Monday 5 October. They will then bring their official template home so that you can place an order if you wish.

How to order

1. **Scan** the QR code in the top right-hand corner of your child's template.
2. **Snap** a clear photograph of your child's design using your phone.
3. **Choose** the products you would like, then order and pay securely online.

All orders and payments must be made **directly through Fundraising Creations**. Nothing will be added to Arbor and orders cannot be placed through the school.

The products available and the prices families will pay are:

- Christmas cards, pack of 12 with envelopes – **£6.75**
- Thank-you cards, pack of eight with envelopes – **£5.00**
- Mug with gift box – **£8.00**

- Coasters – **£3.75**
- Notepads, pack of two – **£8.50**
- Cushion cover without inner – **£15.00**
- Cushion with inner – **£17.50**
- Small wrapping paper and tags, pack of four – **£8.00**
- Large wrapping paper and tags, pack of four – **£9.00**

The final deadline for placing orders is **Thursday 22 October 2026**. This deadline is fixed by Fundraising Creations and cannot be extended, so please ensure that you complete your order before this date.

Fundraising Creations will produce the personalised items and arrange delivery to the school where they will be given out to students. There will also be prizes for the five best student designs.

Thank you for supporting our PTFA and helping us raise funds for the school.

Yours sincerely,

Joanne Crofts
The Hart School PTFA
