10 October 2025

Dear Parents, Carers and Students,

Sixth Form Open Evening – Thursday 16 October 2025 – 5.30pm-7.00pm

Following its amazing results in the Summer, The Hart School Sixth Form is continuing its journey of success and progress. Students are being more ambitious and achieving a greater number of places at the top universities around the country.

Students who study with us have been able through their education to realise their greatest ambitions and gain places on some of the most challenging courses, such as medicine or to study at prestigious universities such as Oxford. All students leave us with a place and a plan for their future!

For many, The Hart School Sixth Form provides amazing opportunities both inside and outside of the classroom, allowing them a smooth transition to the next stages of their life.

Therefore, I would like to invite you to our Sixth Form Open Evening which is taking place on Thursday 16 October 2025.

The purpose of the evening is twofold: firstly, to provide accurate information about the courses we will be offering in the Sixth Form and, secondly, to provide students with information about alternative pathways. We see the evening as an opportunity for students to consider all of the options open to them.

At this stage, some students may still be unsure of what they would like to do after completing their GCSE studies. The Open Evening will provide students and parents/carers with information about the various options that are available and the various routes that students can take.

We strongly encourage as many students and parents/carers to attend as the information being discussed will be relevant to all students currently in Year 11.

The Open Evening will begin at 5.30pm (a change from a previously advertised time) in the School Hall with an introduction to the Sixth Form. There will also be an opportunity to visit the various Sixth Form rooms and speak with the teachers that deliver the subjects on offer. There will be information, advice and guidance about Post 16 and Post 18 options regarding local universities and specialist careers advice experts.

This is a crucial time in our students' education and it is important that they are aware of all options open to them. Our Open Evening will give them the opportunity to start making some well-informed decisions about their future.

We look forward to welcoming you on Thursday 16 October.

Yours sincerely

Mr B Brennan
Assistant Principal
Head of Sixth Form
