Dear Parents and Carers

RE: Welcome to Year 11 Evening

We hope that you have had a wonderful summer and that your child is looking forward to the new school year – their final year of studying for their GCSEs. We are sure that they are feeling some trepidation about the demands of this final school year so, to be able to ensure a smooth transition to Year 11 and make sure that parents and students are aware of all the support available to them, we would like to invite you to attend a year 11 Induction Evening with your child at 6pm on Wednesday 10th September in the school's main hall.

The evening will consist of a short presentation in the hall in which we will share important information with you about the year ahead and strategies to best support your child. We will share key dates and some top tips to help your child get the best start possible in this important year.

To allow us to make sure we have enough refreshments available, could you please click the link below and complete the Microsoft Form to let us know if you are able to attend:

We look forward to welcoming you all and supporting you in making your child's transition to Year 11 a smooth and successful one.

Yours sincerely,

Mrs J Mahon

Vice Principal
