Dear Parents and Guardians

We have had such a positive start to this academic year and, to build on this, I wanted to take this opportunity to provide you with an overview of our curriculum and suggested reading materials for this half term.

Please follow the link <https://www.hartschool.org.uk/students/literacy-bulletins> to our Curriculum Literacy Bulletins which provide you with information on what our students are studying in each year group alongside suggested reading to enrich their understanding and knowledge in these areas.

As we know, the students who are the most successful are the students who study around the curriculum delivered in school; we hope that these half-termly bulletins will provide you and your child with some valuable reading material which will not only serve to strengthen their understanding of the curriculum in school, but will also develop their reading skills and support them in other areas.

Please encourage your child to read regularly and to discuss their reading experiences with you. Reading not only enhances their vocabulary, but also fosters a lifelong love for learning.

Thank you for your continued support and involvement in your child's education.

Yours sincerely

Mrs J Mahon  
Vice Principal – Curriculum & Standards
