

SUBJECT

Year 11

Curriculum Overview

Intent: By the end of year 11 students will have covered both religions in detail and covered all four themes. This will have granted them an overview of two faiths and an insight into some of the toughest topics that we as humanity are facing. By giving two half terms over to reteaching and consolidation, students will feel confident on what they need to know and be able to do for the exam.

	AUTUMN 1, 2 Spring 1	SPRING 2
<p>Core Course Topic: These topics are taught through the identified terms. They are taught in small bitesize chunks and revisited regularly.</p>	<p>Islam: Beliefs and Teachings Students will learn that Islam is one of the diverse religious traditions and beliefs in Great Britain today and that the main religious tradition in Great Britain is Christianity. Students should study the beliefs, teachings and practices of Islam and their basis in Islamic sources of wisdom and authority. Students will build on the beliefs and teachings of Islam by discovering how these are put into action. Also drawing comparisons between different groups within Islam Five Pillars of Sunni Islam and duties and festivals.</p>	<p>Religion: Relationships and families Students will study religious teachings, and religious, philosophical and ethical arguments, relating to the issues that follow, and their impact and influence in the modern world. They will explore contrasting perspectives in contemporary British society on all of these issues.</p>
