

BEYOND THE CLASSROOM

extra curricular clubs

**AUTUMN TERM
2026**

WE CAN • WE WILL • WE DO

EXTRA-CURRICULAR ACTIVITIES

“ Our extra-curricular provision provides an extensive range of opportunities for all students to broaden their experiences, develop creative skills and take their interests further. ”

As well as ensuring academic success, we are serious about having fun and enjoying time at school. This is achieved through providing a wealth of extra curricular activities for students for engage in.

All of our students are gifted in different ways, we aim to unlock those gifts and help our students to flourish. Helping our students to develop in the areas that they love is a central part of education at The Hart School. Whether your child is an avid sportsperson, a budding musician, at home on the stage, or all of the above, then there are endless opportunities to grow these skills. Whether they love to dance, paint, draw or debate, they will be supported to develop.

All after school activities take place between 15:10pm to 16:30pm. Different clubs are offered each term so there is always the chance for our students to try out something new. We offer around 30 clubs and activities each term, encompassing a vast range of interests and hobbies. Staff are encouraged to share their own interests with students through after school activities and we encourage our students to try new things every term.

After-School activities are as much part of the curriculum for us as English and Maths. We believe it is these new and challenging experiences which help our students grow and develop, as well as unlock hidden talents. This link between curricular and extra-curricular activities forms a key part of developing the whole child, and building the confidence of our pupils by showcasing and giving equal weighting to their strengths in every area of the school day.

The Sport faculty offer after school clubs in a wide range of areas: athletics, fitness, rounders, cricket and table tennis. Students take part in matches and tournaments against other schools locally and regionally. They are also encouraged to take part in City and County teams and beyond. We support students who perform at national level in their chosen sports, working closely with parents to help balance their school work and training commitments.

Alongside this there is a varied programme of other activities including: Mindfulness, Rock Band and Robotics Club.

MONDAY ACTIVITIES

Breakfast Maths Club

8.00am - 8.30am | Year 11 only | B10 | Mr Riddle

Year 11 Sparx Breakfast Club provides a focused and supportive environment for students to complete Sparx Maths fix ups, strengthen key skills, and prepare for GCSE examinations. Students can access help from staff, address misconceptions, and build confidence through regular practice, helping them stay on track and achieve their academic goals.

Mindful Monday Colouring & Crafts

Break 1 | All Year Groups | Library | Mrs Laird

This relaxed and friendly club is the perfect place to express yourself through art, try out fun craft projects and colouring.

Sparx Homework Club

Break 2 | All Year Groups | Library | Mrs Laird

A supportive and focused environment where students can complete their Sparx homework with access to help if needed.

Art Club

Afterschool (3.10pm - 4.10pm) | Y7 - Y9 | F02 | Mrs Cooper

A chance to learn new skills, refine drawing, create 3D models and enjoy being creative in a more relaxed environment.

Debate Club

Afterschool (3.10pm - 4.00pm) | All Year Groups | C36 | Mr Hopwood

Find your voice, build your confidence and sharpen your thinking. Inspired by the Debate Mate programme, this club teaches students how to craft persuasive arguments, challenge ideas respectfully and speak with impact. Through lively activities, team debates and competition opportunities, students develop the communication and leadership skills needed to succeed both in school and beyond.

Y9 Boys Football

Afterschool (3.10pm - 4.15pm) | Year 9 | Field | Mr Sparkes

Open to all boys in year 9. The team for fixtures will be picked from these sessions.

Gotta Dance

Afterschool (3.10pm - 4.15pm) | All Year Groups | DS1 | Miss Thomas

Learning a dance for a performance at the Garrick Theatre in Lichfield.

Music Conservatoire Club

Afterschool WEEK A ONLY (3.15pm - 4.00pm) | All Year Groups | C11 | Mrs Stewart

Develop your music theory skills by learning to read musical notation, understand the language of music, and challenge yourself to work towards a Music theory grade. Whether you're a beginner or an experienced musician, everyone is welcome!

Science Club

Afterschool (3.15pm - 3.45pm) | Y7 - Y9 | C24 | Mr Almandhari

Science Club gives students the chance to take part in practical activities and experiments that go beyond the normal science curriculum. Sessions include a range of hands-on challenges across biology, chemistry and physics, helping students develop practical skills, work collaboratively and explore new areas of science in an enjoyable and relaxed setting.

Sparx Maths Homework Club

Afterschool (3.10pm - 4.10pm) | Y7 - Y10 | B10 | Mrs Larbi-Siaw

Sparx Homework Club offers students in Years 7–10 a supportive space to complete their Sparx Maths homework, develop fluency, and strengthen mathematical understanding. Students can access guidance from staff, overcome difficulties, and build positive study habits through regular practice, helping them stay on top of their learning and make sustained progress.

Games Club

Afterschool (3.20pm - 4.10pm) | All Year Groups | SEND Hub | SEND Team

An opportunity for students to socialise and play games such as Chess, Uno, Connect 4 and Lego.

WE CAN • WE WILL • WE DO

TUESDAY ACTIVITIES

Breakfast Maths Club

8.00am - 8.30am | Year 11 only | B10 | Mr Riddle

Year 11 Sparx Breakfast Club provides a focused and supportive environment for students to complete Sparx Maths fix ups, strengthen key skills, and prepare for GCSE examinations. Students can access help from staff, address misconceptions, and build confidence through regular practice, helping them stay on track and achieve their academic goals.

Morning Homework Club

8.00am - 8.35am | All Year Groups | D15

Miss Crofts/ Mr Humphries

A supportive and focused environment where students can complete their homework with access to help when needed.

Sparx Homework Club

Break 2 | All Year Groups | Library | Mrs Laird

A supportive and focused environment where students can complete their Sparx homework with access to help when needed.

Eco Garden Club

Break 2 | Y7 - Y9 | F04 | Mrs Cleary

Our Eco Gardening Club provides you with the opportunity to learn about sustainability, and environmental responsibility through hands on gardening activities. You will work with others to grow a variety of fruits, vegetables and herbs for the school, developing an understanding of where food comes from and how it can be grown responsibly. The club also focuses on creating wildlife friendly spaces by planting flowers, shrubs and other pollinator friendly plants that support bees, butterflies and other beneficial insects.

Year 8 Boys Football

Afterschool (3.10pm-4.10pm) | Year 8 | Field | Joe Morley

Open to all boys in year 8. The team for fixtures will be picked from these sessions.

Chess Club

Afterschool (3.15pm - 4.00pm) | All Year Groups | Library | Mrs Laird

Chess Club helps students develop strategic thinking, problem-solving skills, and concentration through friendly games and competitions. It provides a fun and welcoming environment for students to improve their chess skills, make friends, and enjoy playing together.

WEDNESDAY ACTIVITIES

Breakfast Maths Club

8.00am - 8.30am | Year 11 only | B10 | Mr Riddle

Year 11 Sparx Breakfast Club provides a focused and supportive environment for students to complete Sparx Maths fix ups, strengthen key skills, and prepare for GCSE examinations. Students can access help from staff, address misconceptions, and build confidence through regular practice, helping them stay on track and achieve their academic goals.

Mindful Wednesday Colouring & Crafts

Break 1 | All Year Groups | Library | Mrs Laird

This relaxed and friendly club is the perfect place to express yourself through art, try out fun craft projects and colouring.

Crochet Club

Afterschool (3.15pm - 4.15pm) | All Year Groups | Library | Mrs Williams

Crochet Club is a fun and creative after-school activity where students can learn and develop crochet skills in a relaxed and supportive environment. Members create a variety of projects, such as bookmarks, keyrings, decorations, and gifts, while building patience, concentration, and fine motor skills. The club encourages creativity, teamwork, and confidence, giving students the opportunity to share ideas, learn new techniques, and make new friends. No previous experience is needed, and all skill levels are welcome.

Y7 and Y11 Boys Football

Afterschool (3.10pm-4.10pm) | Year 7 | Field | Mr Ball/ Mr Sysum

Open to all boys in year 7 and year 11. The team for fixtures will be picked from these sessions.

Netball Club

Afterschool (3.10pm - 4.10pm) | All Year Groups | Sports Dome | Ms Dix

Netball club for all year groups, which will involve coaching, training and matches for your year groups.

Homework Club

Afterschool (3.10pm - 4.00pm) | All Year Groups | Library | Mrs Laird

A supportive and focused environment where students can complete their homework with access to help when needed.

Robotics Club

Afterschool (3.10pm - 4.00pm) | Y7 - Y10 | F25 | Mrs Swanston/ Mr Almanhari

Our Robotics Club gives students the opportunity to design, build, program, and compete with a robot as part of the FIRST Tech Challenge (FTC). Working in teams, students develop skills in engineering, coding, problem-solving, and teamwork while tackling real-world challenges set by FTC each season.

Rock & Pop Bands

Afterschool (3.15pm - 4.00pm) | All Year Groups | C11 | Mrs Sewart

Whether you are a beginner or already rocking out, this club is all about having fun, making music and working together as a band. Come and make some noise!

Sesame Robotics Club

Afterschool (3.20pm - 4.20pm) | Y7 - Y10 | C24/F25 | Mr Almanhari

The Robotics Club provides students with the opportunity to design, build and program the Sesame Robot while developing practical skills in engineering, coding, problem-solving and teamwork. Through a series of structured challenges and projects, students will build the knowledge and confidence needed to work collaboratively and prepare for entry into the regional robotics competition. The club is suitable for students of all experience levels, with an emphasis on creativity, innovation and real-world STEM applications.

UKMT Challenge Club

Afterschool (3.10pm - 4.10pm) | All Year Groups | B31 | Miss Worsley

UKMT Club is an exciting opportunity for students to develop their mathematical thinking through problem-solving, puzzles, and challenges inspired by the UK Mathematics Trust. Members build confidence, creativity, and resilience while exploring rich mathematical ideas beyond the classroom. The club prepares students for UKMT competitions in a fun, supportive, and engaging environment.

WE CAN • WE WILL • WE DO

THURSDAY ACTIVITIES

Breakfast Maths Club

8.00am - 8.30am | Year 11 only | B10 | Mr Riddle

Year 11 Sparx Breakfast Club provides a focused and supportive environment for students to complete Sparx Maths fix ups, strengthen key skills, and prepare for GCSE examinations. Students can access help from staff, address misconceptions, and build confidence through regular practice, helping them stay on track and achieve their academic goals.

Eco Garden Club

Break 2 | Y7 - Y9 | F04 | Mrs Cleary

Our Eco Gardening Club provides you with the opportunity to learn about sustainability, and environmental responsibility through hands on gardening activities. You will work with others to grow a variety of fruits, vegetables and herbs for the school, developing an understanding of where food comes from and how it can be grown responsibly. The club also focuses on creating wildlife friendly spaces by planting flowers, shrubs and other pollinator friendly plants that support bees, butterflies and other beneficial insects.

The Hart School Christian Student Union

Break 2 | All Year Groups | F25 | Mrs Swanston

The Hart School Christian Student Union is a student-led club that provides a welcoming and respectful space for students to explore the Christian faith, ask questions, and discuss life's big topics. Following the Youth Alpha programme, sessions are designed to be engaging, interactive, and open to everyone, regardless of their beliefs or background. The club aims to introduce Christianity in a friendly and accessible way, encouraging honest conversations and helping to challenge common stereotypes and misconceptions about Christians and the Christian faith. There is no expectation for pupils to share specific beliefs, and participation is entirely voluntary, with a focus on respect, curiosity, and learning from one another. Pupils can expect a mixture of videos, discussions, games, and activities in a relaxed and supportive environment.

Board and Card Games Club

Break 2 | All Year Groups | Library | Mrs Laird

An opportunity for students to socialise and play games.

Choir

Afterschool (3.15pm - 4.00pm) | All Year Groups | C11 | Mrs Stewart

Whether you are a confident singer or just enjoy singing along, this is the place to have fun and make music together. All voices count!

Fantasy Roleplaying and Gaming Club

Afterschool (3.15pm - 4.10pm) | All Year Groups | B09 | Mr Dickson

Dungeons & Dragons, Magic the Gathering, Miniatures. Come and join our friendly club exploring many areas of fantasy gaming

Girls Football

Afterschool (3.15pm - 4.15pm) | Y7 - Y9 | Field | Mrs Willett

Suitable for all girls of all years and all abilities.

Homework Club

Afterschool (3.20pm - 4.00pm) | SEND Hub | SEND Team

A chance for you to complete your homework with the help of a teaching assistant.

FRIDAY ACTIVITIES

Breakfast Maths Club

8.00am - 8.30am | Year 11 only | B10 | Mr Riddle

Year 11 Sparx Breakfast Club provides a focused and supportive environment for students to complete Sparx Maths fix ups, strengthen key skills, and prepare for GCSE examinations. Students can access help from staff, address misconceptions, and build confidence through regular practice, helping them stay on track and achieve their academic goals.

Crafting with Mindfulness

Afterschool (3.20pm - 4.20pm) | C21 | Mrs Pemberton-Smith

The craft club offers a relaxed and welcoming space where young people can switch off from everyday pressures, focus on a creative project, and practise mindfulness through making. Each week, they will create a different handmade item to take home and keep, building confidence, creativity, and a sense of achievement.
