

**CREATIVE EDUCATION TRUST**  
*Knowledge Connected*

# Please Note

Creative Education Trust will not tolerate any rude or abusive behaviour directed towards our staff, visitors or volunteers. This includes demanding a meeting without an appointment, name calling, raising your voice in anger or using inappropriate or foul language. Our academies are educational institutions where we expect all visitors to model good behaviour for our students. If you are rude or abusive to a member of our staff, we have instructed that they request you leave the school site immediately and communicate, politely, any concerns you may have in writing. Any written communication that is rude or abusive will not receive a response.

These actions are in accordance with Section 206 of the Education Act 2002 and the Creative Education Trust Aggressive Visitors Policy.

Thank you to the vast majority of school visitors who are consistently polite and respectful, and who work with our staff to provide the optimum educational experience for our students.

Kind Regards,

**Nicole McCartney**  
**Director of Education**
