Dear Parents and Carers

Coronavirus update

We have been made aware today of further updates regarding health precautions and travel advice in light of the coronavirus, including the current situation in the UK and information about the virus and its symptoms.

Please use the following link to access the latest information:

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

As you may be aware, the school took a group of students to Italy for a ski trip before the February half term holiday; this was to an area of Italy which is not within the lockdown area currently identified and therefore we do not consider there to be any additional risk to staff and students at present.

If you have any concerns regarding your health or that of a member of your family, follow NHS advice and please do not go to a GP surgery, pharmacy or hospital. Call 111, stay indoors and avoid close contact with other people
