Unifrog – The Complete Destinations Platform

Dear Parent / Guardian,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog; an award-winning, online careers platform. All students in Years 12 and 13 have access to this excellent website.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English-taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities by using Unifrog to write their personal statement, applications and CVs and guiding them through the process, allowing teachers to give live feedback.

Students have already accessed Unifrog using a sign-up code which is unique to their form group. They have logged in to Unifrog using their email address and password and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your son/daughter so you can support them through the process of deciding their next step.

We have set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your child. The form code you need is: *parentshartschool* and you can sign up here: [www.unifrog.org/code](http://www.unifrog.org/code)

For more information, go to [www.unifrog.org](http://www.unifrog.org) or contact Denise Walters

Yours faithfully,

Denise Walters
