10 February 2020

Dear Parent/Carer

Group 11B GCSE Geography

As we enter this important phase in your child's education, I am writing to inform you of some changes to group 11B in GCSE Geography.

Following the November mock examinations your child's teacher carried out a forensic analysis, identifying the strengths and gaps in your child's knowledge for each Geography paper your child sat.

Therefore, as many schools do at this time of the year, we have taken the opportunity to reorganise some of the teaching staff within the Humanities Faculty so that specialist staff can teach the gaps identified in your child's knowledge. After February half term, your child will be taught by Mrs Long who is an experienced GCSE Geography practitioner.

We anticipate that this strategy will have an encouraging impact on the progress that your child makes in Geography and, as with all other subjects, it is important that you child prepares well for the March mock exams. These will be taking place during week commencing Monday 2 March 2020.

If your child requires additional support during the February half term, then please encourage them to attend the Geography revision session, which is taking place on:-

Wednesday 19 February

10.00 am – 12.00 pm with Mrs Smith in the English Faculty

Yours sincerely

Miss R Sandham

Vice Principal - Academic Standards
