Dear Parent/Carer

Year 11 History Groups

As we enter this important phase in your child's education, I am writing to inform you of some changes to classes that have taken place in History.

Following the November mock examinations your child's teacher carried out a forensic analysis, identifying the strengths and gaps in your child's knowledge for each History paper your child sat. This allowed the teacher to use this information to assist with planning and to give specific guidance to help them to revise effectively for their March and Summer examinations.

Therefore, as many schools do at this time of year, we have taken the opportunity to reorganise some of the teaching groups in History. This will enable your child to be taught by a specialist historian, who will cover their specific learning gaps, before their final mock exams, which take place week commencing Monday 2 March 2020.

We anticipate that this strategy will have an encouraging impact on the progress that your child makes in History and, as with all other subjects, it is important that you child prepares thoroughly for the March mock exams over the next two weeks. If your child requires additional support during the February half term, please encourage them to attend the History revision sessions be taking place on:-
