Dear Parent/Carer

Thank you for all your supportive messages over the past few days, these are indeed difficult times.

In order to support you in maintaining your child's education and to keep them mentally well, we have provided you with the link to your child's weekly timetable.

In difficult times, we know that routine is good for all of us. Clearly, we cannot make this compulsory, but we have asked form tutors to contact you if work isn't being completed.

We have been delighted to hear stories of our young people helping more vulnerable members of our community, by fetching shopping and doing errands, this is exactly what small communities like Rugeley can do when things get tough. Please share more of these stories with us and we will try to publish good news stories. Keep them aware of the need to physical distance themselves (2m) and not socially distance, giving gran a phone-call or video message can lift the spirits.

We will continue to contact you over the next few weeks and update our FAQs on the website. In the meantime, stay safe and look after those that you love. I have attached a useful information clip about CoVid19. Please take time to look at it and encourage your children and friends to do the same.
