

A guide to using HegartyMaths

You will need to select **The Hart School**, and enter your name and date of birth. You will set your own password.

Student checklist for good HegartyMaths homework	
1	I always write the date, title, clip number and H/W for all my tasks.
2	I always watch the video before attempting the questions.
3	I always take full notes of all the examples modelled in the video.
4	I copy every question that I attempt in my book.
5	I show all my workings for every question in the quiz that I do.
6	I try to model my work the way I was shown in the video by Mr Hegarty.
7	I use a pencil and ruler for all diagrams.
8	I mark my work correct/incorrect as I go.
9	I write down corrections when HegartyMaths tells me the correct answer.
10	I write down my score at the end of quiz .

When you are logged in there are three ways of completing tasks.

- **My Tasks**- this is where you can find your current homework
- **Search**- this is where you can search your own topic
- **MemRi**- this is where you can regularly practise recall questions

Watch the video and make notes in your workbook.

Complete the quiz, writing your working out as you go and marking as you go.

If you get RED make use of the building blocks and redo to quiz until you get AMBER or GREEN

Extra work

Action	
1	I go back to my donut and pick lessons that are red (<70%) to redo them to make them amber (>70%) or green (100%) .
2	I go back to my donut and pick lessons that are amber (>70%) to redo them to make them green (100%) .
3	When working on lessons that are red or amber and I cannot make them 100% , I rewatch the video and look at the building blocks which may help me.
4	I complete a Fix-Up-5 where HegartyMaths gives me 5 practice questions on parts of maths that I might be weak on.
5	If my teacher has given me a revision list of clips on HegartyMaths, then I pick a topic on that list and complete a homework the normal way by myself.

FAQ

What are my log in details?

You need to search for the school, and type in your name and DOB. Your password is whatever you set it as. If you have forgotten it, send the request through to your teacher and when they log in they will reset it.

Do I have to watch the video?

Yes- Hegarty will guide you through the topic and model examples for you. You should make notes on this. After watching the video, then attempt the task. The video provides the teaching.

Will my teacher check it?

Your teacher can view all the tasks you have completed, they can view each answer you put, how long you have spent of the video and how long you have spent on the task.

How long should I spend?

Revision and homework based task should take half an hour, this includes watching the video and making notes.

New content will take up to an hour, to get the most out of Hegarty, watch the video, pause and do the examples, make notes as Hegarty talks. When then moving onto the task, write down the question and working out in your book and then mark as you go.

By doing the above, you will gain a deeper understanding of the work
