Dear Parents/Carers

Year 11 Pre-Public Examinations (PPEs)

As you will be aware, all students in Year 11 will be undertaking their Pre-Public Examinations (PPEs) over the next two weeks in preparation for their GCSEs in the Summer.

Some of the examinations finish before the end of the school day. When this is the case, we will allow students to leave the school site early as they would in the actual GCSEs.

Students will be expected to leave the site and go straight home. Students that need to stay in school because of transport issues, or if they wish to study, will be provided with a supervised workspace until the end of the school day.

This privilege will be taken away from any students where behaviour or attitude to learning falls below our expectations.

We recognise that this can be an anxious time for parents and students; can I take this opportunity to remind you of the support section for Year 11 on the school's website.

If you need to discuss any of the above please contact myself, Mrs Cockbill or Mrs Merrien.

Thank you for your continued support.

Yours sincerely

Mr D Redmond
Senior Vice Principal
