Dear Parents, Carers and Students

Clarification of Remote Learning in Year 11

As we continue to await final clarification from Ofqual regarding Vocational Subjects, not GCSEs, we recommend that your child continues to complete any outstanding coursework to the best of their ability wherever possible, if they study any of the following subjects:

Engineering
Health and Social Care
Sport
Business and Enterprise
Interactive Media
Hospitality and Catering
Performing Arts: music, dance or acting.

If you have any questions about the completion of coursework, please contact your child's form tutor in the first instance.

In addition, we would also recommend that your child continues to follow and complete subjects that they are considering studying in Sixth Form or at college as good preparation. For students wishing to go on to Post 16 education, the continuation of learning at this time is important.

Our remote learning platform provides the expected amount of learning activities for the next two weeks, extended to three shortly. This will be updated once we all become aware of the government's next awaited announcement on 7 May.

Thank you, as ever, for your continuing support.

Yours sincerely

Mr C Keen
Principal
