Therefore, we do not expect students to continue to complete any remaining coursework for these qualifications whilst studying at home. Assessment grades for these qualifications will be calculated by teachers, supported by exam unit results that have already taken place.

We would, however, recommend that your child continues to follow and complete subjects that they are considering studying in Sixth Form or at college as good preparation. For students wishing to go on to Post 16 education, the continuation of learning at this time is important. Our remote learning platform will now provide transition material for Year 11 students moving on to Post 16 education.

If you have any questions, please contact your child's form tutor in the first instance.

Thank you, as ever, for your continuing support.

Yours sincerely
