Dear Parent/Carer

### Post 16 Destinations

Each year, on behalf of Staffordshire Local Authority, we are asked to provide information regarding the next destination for our Year 11 cohort. Normally we would ask students for this information during tutor time; however due to these unprecedented times we will have to do this remotely by asking you to complete the online form.

All young people who reach compulsory school leaving age in summer 2020, are entitled to a place in education or training by the end of September 2020. By completing the information on the online form it will help us to identify young people who require further support to prepare for the next academic year. This information is then shared with Staffordshire Local Authority and then reported to the Department of Education.

Please would you be able to complete the form below so that we can look at how we can best support your child during these times. The deadline for this information is Friday 15 May 2020.

Yours sincerely
