Dear Parents and Carers

I hope that you and your family are well and coping in these extraordinary times.

We are all learning to cope with significant changes to our lives and trying our best to navigate the advice given to us. It is with this in mind, that I am writing to you.

You will have seen, no doubt, information in the government briefings and in the news, that schools are preparing for some form of partial opening as of Monday 1 June.

The headlines are that primary schools are preparing for Nursery, Reception, Year 1 and Year 6 and that secondary should be preparing for **some** teaching of those groups that are preparing for external exams next year (current Years 10 and 12).

Nothing, as yet, is clear but rest assured, as a school, we have been making preparations for the safe return of our students since we were asked to close.

Once we are sure that it is safe to return as advised by our Trust and the Government we will get in touch.

In the meantime, tutors will continue to contact your child weekly and teachers will continue to set work through the remote learning page. A reminder that we have set up the remote learning page to mimic a school day to try to help you keep your child in as much routine as possible. Please do contact us if your child is struggling and we will support you in supporting them.

Coming soon:

We are developing some teacher-led video lessons and some more fun activities to try to improve our connection with you and your child whilst working remotely.

A Life and Soul Day is planned for Monday 18 May that is focused on wellbeing; there will even be opportunities for you to get involved!

Once again, please do contact us if you have any problems, queries or need support. You can either use the school email enquiries@hartschool.org.uk or your child's tutor's email address and someone will get back to you. The school telephone line is also staffed between 8.30 am and 3.10 pm Monday to Friday.

Stay safe and well.

Yours sincerely
