

29 May 2020

Dear Parents and Carers

As promised, I am able to update you today further to the Government's announcement about partial reopening of secondary schools.

Yesterday the Prime Minister confirmed that we are able to invite Year 10 and 12 pupils back into school from the 15th June. On any day, only 25% of the year group are permitted to attend (along with keyworker children). On the days when your child is invited to come into school we will arrange a mix of academic and pastoral activities to support their progress, but the main thrust of our teaching will continue to be online as it is for pupils in other years.

Secondary school remains open for vulnerable children and children and wards of key workers.

We have been working hard for several weeks to make sure that the school premises are safe for children and staff to return. By the 8th June at the latest, I will be in touch with full details of the education plans and the health and safety measures in place for your child.

Staff will be posting work on ClassCharts from Monday and we are looking forward to supporting with that work remotely.

Can I take this opportunity to thank you for the support you have given your sons and daughters to keep on top of their remote learning - it is much appreciated. I hope that you have all enjoyed a proper break from school work during the half term period.

Sincerely

A handwritten signature in black ink, appearing to read 'C Keen', with a stylized flourish at the end.

**Mr C Keen**
