Dear Parents and Carers

Today we have made a wonderful start to our expanded provision for Year 10 and Year 12. It was such a pleasure to see students coming into school and learning with teachers in classrooms.

Students have been brilliant; adhering to our new safe practice and engaging fully in their small groups whilst benefiting from focused teaching. They have really embraced the opportunity to go over topics with their member of staff. Staff and students alike have given us great feedback about their feeling of safety and the organisation of learning.

Over the next few weeks, we look forward to working with more children from these year groups, after all that is what we are here for. Unfortunately, at the moment, we can only limit this offer to a maximum 25% of Year 10 and Year 12 students each day. We will continue to provide our full remote learning timetable for all students.

This morning, we took photographs of the school, including two metre floor markings, our classrooms and 'bubbles'. These can be found on our website:

<https://www.hartschool.org.uk/school-reopening>

We want you to be reassured about the school's organisation and, if you are a parent or carer of a child in Year 10 or Year 12, confident of what the school has done in order to make sure it complies with guidance.

Over the next week or so you will be receiving an invite to an online meeting from your child's form tutor. We will be operating small group tutorial sessions focused on the well-being of your child. You are welcome to sit in on this if you wish, more guidance will follow.

As always, thank you for your ongoing support and rest assured that we will continue to have your child's education, welfare and safety at the forefront of our minds.

Yours sincerely

Mr C Keen
Principal
