Dear Parents and Carers

Arrangements for collection of GCSE results – Thursday 20 August 2020

Due to the current situation, you will be aware of the different arrangements in place for Year 11 students to collect their exam results on Thursday 20 August.

With this in mind, we are also aware that students will need to return resources to the school including textbooks, revision guides, etc. Therefore, when students arrive to collect results, there will be designated containers for them to “drop off” resources and a member of staff will have a checklist to tick off their name to confirm they have returned items to us.

We are also aware that many students are keen to donate their uniform back to the school to benefit others. There will be an additional container marked “uniform” to allow students to do this at the same time. The uniform will be placed into quarantine for the required period to ensure the safety of students and their families.

We are looking forward to seeing students on Thursday and celebrating in their successes.

Yours sincerely

Mrs L Cockbill
Head of Year 11
