Dear Parents and Carers

### **ParentPay and catering arrangements for new academic year**

We have re-organised our school catering arrangements in order to make them safe for this new academic year. We now have a catering provision in each of the zones so that students can remain within their allocated bubble whilst eating.

Due to our Covid-19 controls, students will not be able to charge their accounts with cash on the school site. This will mean that parents and carers will have to charge up their ParentPay accounts; however, most of you already do this.

If you have not already registered with ParentPay or have misplaced your account details, please email [enquiries@hartschool.org.uk](mailto:enquiries@hartschool.org.uk) and we will provide a reminder letter with instructions on how to set up an account.

Thank you for your support in helping to make the school as safe as possible in September.

Your sincerely

**Miss R Sandham**  
Principal
