

16 to 19 Tuition Fund

The 16 to 19 tuition fund is a government initiative to mitigate the disruption to learning arising from coronavirus (COVID-19). The funding is being provided to support small group tuition for 16 to 19 year-old study programme students in English, maths, and other courses where learning has been disrupted.

The guidance indicates that students with special educational needs and disabilities (SEND) and/or those who have an Education, Health and Care Plan (EHCP) will also be eligible for support via this Fund. Although the funding has been allocated to support students who have not achieved a grade 5 in English and/or Mathematics by the age of 16, the support does not have to be used solely for English and Mathematics tuition.

The Hart School Sixth Form commits to using the small group tuition funding that it has been given to mitigate against the impact of the pandemic on our study programme students. Sessions will be limited to three to five students per group and will be above and beyond normal timetabled hours. Students will be prioritised for small group tuition based on the guidance released by the Education and Skills Funding Agency (ESFA).
